Suntech Energy Systems

GIDC Naroda,

Ahmedabad.

Sir,

Sub: Appreciation Letter.

We are using suntech energy Dryer machine since April 2019, we are really happy with the quality of machine and we are also really satisfied with the after sales service of company, as their technical department is very much responsive they immediately send their technician on one phone call.

We are expecting such response will continue in future also, keep up the good work and good luck.
