Date: 23/07/2016

Suntec Energy Systems,  
Ahmedabad.

We have installed SUNTEC Heat Pump with 45kW x 2 nos. with 4000 liter storage tanks in June-2016. We are happy with performance and enjoying benefit / saving compare to our Diesel fired Boiler.

We hope long term relation with Suntec & thank full to introduce new cheapest heating technology to us.

Our Hotel is running with 55 Rooms and out of them 16 have bathtub / Jacuzzi.

Best wishes from  
Hotel Lake View-Saputara

Abhisek Nath
