

BHUTAN SPIRIT SANCTUARY

Date: 23rd of April 2019

TO WHOM IT MAY CONCERN

This is to certify that SUNTEC BHUTAN, C/O, DECHEN ENTERPRISE, Thimphu has successfully installed and commissioned Heat Pump and storage tank in Bhutan Spirit Sanctuary, Shaba – Paro:

Swimming Pool Heat Pump – 50 Kw

Storage Tank- 3000 Ltr x 2 nos.

Piping works

The energy savings product dealt by them of Suntec Energy System brand is so far found reliable and efficient. Bhutan Spirit Sanctuary, Paro having total room of 24 nos had not faced a single problem even at full occupancy ever since we have procured centralized heating system from Dechen Enterprise, the dealer agent for Suntec Energy System in Bhutan. Further, the technical services and expertise rendered by them was found up to our satisfaction.
