Dear Sirs,

We have been using Renewable Energy Dryer Model SC-RD-200 HT since 3 years are now and are happy to state that, the Product, Support, Services, Guidance given by Suntec office are excellent.

Thanks to the support and Services, we procured yet one more SC-RD-200 HT Dryer for our production plant which nearly tripled our production. These Dryers operate and perform round the clock and deliver consistent results, output at very low power consumption.

We are happy and satisfied and depend on Suntec for our production performance and will always recommend Suntec for prospective users.

We wish Suntec Team Best Of Luck and Excellent Growth.

Thanking you,

Sincerely yours  
for Peakway Industries Pvt. Ltd.
