To,  
Suntec Energy Systems.  
Ahmedabad.

APPRECIATION LETTER

*We have installed Heat Pump Systems from the Suntec Energy Systems with capacity of 50 KW air source for sanitary hot water is connected with 7000 liter x 2 water tanks and 70 KW for indoor swimming pool size 1,25,000 liters heating systems.*

*Both heat pumps are working nice and full filling our requirements. We are happy to get benefit of heat pump with power saving and simplest operation.*

*We are thankful to Suntec for the good service & support and ensuring that Suntec will maintain the same.*

*Best Wishes from,*

*Grand O7*

*Nisar Shekh,*

*Chief Engineer*
