**Appreciation Letter**

Dear Sir,

We, H2O care are doing water treatment and pumping solutions in domestic market. We also work with Suntec for the domestic market Heat Pumps. We have installed many Heat Pump at our clients and we happy that all Heat pumps installed by us are working in good condition and Our clients are happy with power saving and trouble free operation.

Once again we are thankful of suntec to choosing H2O care for the wonderful products.

Best Regards,
