

Date:- 07.01.2016

The Director,
Suntec Energy Systems,
Ahmedabad.

Dear Sir,

We have installed the HSD fired Hot Water Generator System (Model:- Riello 3300-27) connected with 1000 Liter. Hot Water Pressurize Mixing Tank at our premises Shiv International-Bhachau Kutch on December 2015.

This HWG system is very compact in size and works on all seasons. It has an intelligent controlling system which helping in reducing power consumption during ideal time and also it is totally automatic operation hence no manual intervention is require. We are very much satisfied with Riello make HWG supplied by Suntec Energy Systems.

Thanking you,

Yours Faithfully,

Pratipalsinh Jadeja
